

GM Financial of Canada Ltd. Pre Authorized Debit Plan

How the Plan Works

You will continue to receive your monthly billing statement approximately 10 to 14 days before the payment due date. Your bank will deduct the monthly payment amount from your chequing or savings account on a mutually agreed upon payment date and forward the funds to GM Financial. This transaction will be processed every month while your loan is outstanding regardless of whether your account is then current or paid ahead. Because the last monthly payment may be more or less than the scheduled payment depending upon your schedule, you may request to receive prior notice if such final transfer will vary more than 25% from the monthly payment amount that appears in your Motor Vehicle Contract.

When Will the Service Become Effective

After the form and proper documentation have been received, approximately 20 days are required to establish this service with your bank. Once established, you will receive a confirmation letter or the following message will appear on your monthly billing statement: "Your account is on our Automatic Payment Plan. Your payment will be automatically deducted from your bank account on your due date."

When Will the Service Terminate

If any monthly payment is not received by the second electronic presentment or if you should file for bankruptcy, you will no longer be eligible to participate in this program.
