COMMON QUESTIONS

WHERE DO I RETURN MY VEHICLE?

The Chevrolet dealership where you leased your vehicle is best qualified to help you with the return process. If you have moved a significant distance, you can return the vehicle at any participating GM dealership. You can contact GM Financial if you need assistance locating a participating dealership.

WHEN DO I RECEIVE MY SECURITY DEPOSIT?

If your lease agreement includes a security deposit, it will be returned to you, less any remaining amounts owed under your lease agreement, within 60 days of turning in your leased vehicle.

WHAT CHARGES CAN I EXPECT AFTER VEHICLE RETURN?

An invoice will be mailed that may include amounts still due on the lease account, excess wear, excess mileage charges, disposition fee¹, and other applicable taxes and charges. See your lease agreement for details, so you know what to expect. If taxes, citations, tolls or other charges are received after your lease-end invoice has been sent, an additional invoice will be issued.

¹If you buy or lease a new GM vehicle, your disposition fee may be waived. See your lease agreement for details.

HOW CAN I OBTAIN A PURCHASE OPTION PRICE?

To obtain a purchase option price, contact GM Financial using the channels listed below. Please have your account number, Social Security number or vehicle identification number (VIN) available to help us quickly locate your account. You can also contact the Chevrolet dealership where you leased your vehicle for assistance.
